

Climate Change and Health – Role of the Health Sector

To

Date: 09.01.2019

Dr. Koshy Cherial
Director
AEEE

Dear Sir,

This is with reference to the National Health Conclave to be held on 23rd of March, 2019 at Manekshaw Centre, New Delhi.

We deem it to be a matter of great honour to solicit the participation of your esteemed organization as a **partner** in this important event, aimed at addressing the factors leading to hazardous changes in climate.

With rising concerns regarding climate change, the **Association of Healthcare Providers of India (AHPI)** and the **Centre for Environmental Health (CEH)**, a Center of Excellence within the **Public Health Foundation of India (PHFI)** are organising a one-day National Health Conclave on Climate Change and Health – Role of the Health Sector, dedicated to the health impacts of climate change in India and appropriate risk mitigation and adaptation strategies, with specific focus on the health sector. The conclave will cover talks and panel discussions on the theme, and a White Paper on the theme will be evolved and endorsed by key representatives of the health sector. The conclave will conclude with an inspiring concert themed – “LET US LIVE”, featuring Grammy award-winning composer, music producer and environmentalist, **Mr. Ricky Kej**.

As a partner, your organization will be given adequate visibility in the letter-head and various forms such as - presence in the conclave souvenir, stall at cost price, participation in the discussion and will also be provided with 5 passes for the concert.

Partner benefits/Contributions:

- The partnering organization may include a flyer/brochure regarding the activities of their organization in the delegate kit.
- We request inputs relating to the theme, which will be approved by the Scientific Committee and the White Paper Committee.
- Inputs for the e- souvenir to be released following the conclave
- Inputs for white paper are also invited.
- Partner organizations that are part of various sub-committees are requested to contribute and participate in the activities assigned to the respective sub-committee.

Participation in the conference is by invitation only and in order to meet the organisational requirements of this event, we request a donation of INR 2.5 lakhs from the partnering organisation or support with identification of sponsors who would be able to contribute INR 5 Lakh for the event. Your contribution would go a long way in making this joint initiative a grand success.
