Memo No.20/14/2017-B&R1(3)/926006/1

Dated: 17/02/17

Sub:

Implementation of Energy conservation Building code (ECBC).

On the subject noted above.

2. A committee of following officers is formed to study the various clauses of ECBC and put forward the ways and means for smooth and steady implementation of ECBC Code completely and collectively:

- | | | |
|------|--|-----------|
| i) | Chief Engineer (HQ) Punjab | -Convener |
| ii) | Chief Architect Punjab | -Member |
| iii) | Chief Engineer (South)- Cum Nodal Officer Buildings | -Member |
| iv) | Chief Engineer – Cum Vigilance Officer Quality Control | -Member |
| v) | Chief Engineer, (Electrical) | -Member |
| vi) | Chief Engineer, Water Supply & Sanitation, Punjab | -Member |

3. The committee will review and look into the following issues:-

- i) Implementation of ECBC at Admn./field level.
- ii) Holding of seminar for imparting training to the workforce of Architect, Civil, Electrical & Public Health wing.
- iii) Modification and development of provisions of CSR with reference to procurement of material needed for the constructions of buildings in order to implement ECBC code.

4. Apart from the above, the committee will concentrate, study and scrutinize the following issues which are normally omitted and not

consideration while submitting the proposal/estimate for construction of Govt. Buildings.

- i) Implementation of earth quake designs of buildings.
- ii) Immediate steps/actions by all the Engineering wings in case of damage to buildings due to an earth quake.
- iii) Creating Permanent Infrastructure for Solar conservation system.
- iv) Provision of Rain harvesting system in the buildings.
- v) Provision of Fire alarms system/fire fighting hazards.
- vi) Provision of security relating equipment like CCTV camera and installation of baggage checking system.
- vii) Creating permanent infrastructure for anti termite treatment.
- viii) Horticulture Works.

5. It is further directed that after holding meetings at regular intervals, the committee will submit its recommendations to the government within 45 days for effortless implementation of energy conservation Building Code (ECBC) and other issues listed above.
